

# 6 Great Ways to Motivate a Remote Team

- ✓ **Have a daily catch up. Communicate via WhatsApp or short video call.**
- ✓ **Use Project Management tools to keep teams focused, motivated and informed.**
- ✓ **Provide extra training for working from home and ensure company related training does not stagnate.**
- ✓ **Encourage team interaction and learning. Managers are not the only source of useful information.**
- ✓ **Look after great staff in the same way as you would normally. With progression plans and great rewards.**
- ✓ **Hire external help - consultants and psychologists can be a positive for staff mental health and happiness.**
